

BRICK AND PATIO CLEANER

Issue 4 - November 2008

- Description:** Cromar Brick and Patio Cleaner is an acid based solution for removing mortar stains from brick work and cleaning patios. Brick Patio Cleaner is a fast and effective cleaner for the removal of oil, grease, moss and lichen from concrete paths, tarmac drives, patio and block paved areas. Its fast acting formulation gives immediate and effective results and can be applied by brush, roller, watering can fitted with a rose and can also be sprayed but goggles must be worn at all times.
- Preparation and Application:** Remove large accumulations of algae and moss with a stiff brush. Brick Patio Cleaner is supplied ready to use and does not require diluting. Apply using a low pressure spray or watering can. Scrub the surface with a stiff brush and leave for 15 minutes. Wash off any residue thoroughly with water whilst brushing.
- Packaging:** 1, 2.5, 5 and 25 Litre.
- Important:** Due to ageing and natural weathering, surfaces may not return to a newly laid appearance. Stains caused by oil and grease may not be completely removed. Although the algae and mould will be killed immediately it may not be completely removed, any residue can be brushed off 7 days after application.
- Caution:** Surfaces may become slippery during cleaning and suitable footwear should be worn. Protect adjacent surfaces, if contamination occurs wash affected areas thoroughly with water. A test patch is recommended prior to use on new paving as discolouration may occur. Contains dilute hydrochloric acid.
- Coverage:** Approximately 3-4m² per litre depending upon the porosity of the surface to be cleaned.
- After Use:** Clean all brushes and application tools thoroughly with water immediately after use.
- Storage:** Ensure container is resealed after opening and store upright in cool, dry conditions. Protect from frost.
- Health and Safety:** Please refer to the Health and Safety Data Sheet on Brick and Patio Cleaner.
- Further Information:** In the event of further queries or problems concerning the use of this product, please contact the address below:-
- All products should be sold in accordance with the manufacturer's instructions. The manufacturer cannot be held responsible where conditions of use are beyond our control.
