

## MIRROR IMAGE - C411

A premium high solids slip resistant floor polish

**MIRROR IMAGE** is a high shine floor polish offering exceptional finish and durability. Mirror image is suitable for application to vinyl, thermoplastic, rubber and linoleum flooring.

### FEATURES

- Mirror Image is a dry-bright, acrylic floor polish which generates a deep, lasting shine.
- Exceptional finish and durability.
- 28% solids content ensures exceptional coverage and deep long-lasting shine.
- Resists scuffing and marking.
- Slip-resistant finish.
- Metallised formula to aid stripping.

### APPLICATIONS

- Suitable for use on vinyl, linoleum, rubber and thermoplastic tiles.
- Absorbent floors such as wood, wood block, composites and cork should be avoided unless very well sealed.
- Used on floors in schools, hospitals, hotels, leisure complexes, nursing homes and retail centres.

### DIRECTIONS FOR USE

1. Prepare the floor ensuring it is clean dry and free of any partially stripped polish.
2. Apply Mirror Image with a floor polish applicator.
3. Apply the first coat evenly following the natural grain of the floor.
4. Allow at least 30 minutes (or until touch dry) between coats.
5. Apply each subsequent coat at right angles to the preceding coat.
6. Three coats are normally recommended.
7. Allow floor to dry overnight.

Cold conditions will adversely affect the cure of acrylic polishes; it is recommended that the room is heated during application in cold weather. To clean and maintain the floor finish the use of Arrow's Buff & Restore or Wash & Restore is recommended. Do not use alkaline or solvent containing cleaners on the floor.

### TECHNICAL DATA

APPEARANCE : Milky liquid  
COLOUR : White  
ODOUR : Characteristic  
SOLUBILITY : Soluble in water  
RELATIVE DENSITY : 1.036  
pH-VALUE, DILUTED SOLUTION : 8.40  
FLAMMABILITY : Non Flammable  
PACK SIZE : 5 litre

### APPROVALS

Institute of Naval Medicine – Listed in BR1326  
MoD NATO Stock No: 7930-99-224-6818 (5L)

### USAGE PRECAUTIONS

Avoid spilling, skin and eye contact.

### STORAGE PRECAUTIONS

Store at moderate temperatures in dry, well ventilated area.

### HEALTH AND SAFETY

Health and Safety Data sheet available separately.
