

SUPER MAX S₁

**SUPER
MAX S₁**

S1 HARD SURFACE CLEANER is a hard working multi purpose cleaner and sanitiser, with a pleasant lilac fragrance.

- Effective cleaner to remove dirt, grease, grime and mould.
- Non caustic formula, ideal for use around soft metals and galvanised surfaces.
- Controlled foaming allows for use with carpet extraction machines.
- Also suitable for use on washable fabric and upholstery surfaces.
- Especially effective in nursing homes, hospitals, hotels, schools and all areas where cleaning and sanitising is essential.
- Biocidal testing complies with BS6471 at a 1:150 dilution

Available in:

500ml ready to use trigger | 1 litre concentrate | 2 litre concentrate
